

Welcome

On behalf of Southern Financial Exchange's Conference Planning Committee, Directors and Staff, we welcome you to the 32nd Annual Conference! Please take full advantage of this experience, which not only includes the opportunity to learn about the latest advances in electronic payments, but also provides invaluable networking with industry peers and subject matter experts.

Southern Financial Exchange's Conference Planning Committee is delivering speakers that are known throughout the Payments Industry. We are proud of the high caliber payments industry speakers that are graciously willing to share their expertise with our Members and guests.

All general sessions, refreshment breaks and luncheons will be held in the Exhibit Hall in order to provide you ample opportunity to interact with the exhibitors that have chosen to showcase their products and services at our conference. We encourage you to spend quality time with each and learn what benefits they can offer you.

The conference is an excellent venue for your personal development as a payments professional, whether you are here to earn continuing educational credits for your industry designation or to share and gain knowledge in order to be a part of the future direction of payments. Our goal is for you to gain expertise that will enable you to be more competent and confident in your working environment. SFE offers fundamental and advanced education and training opportunities throughout the year, please visit our website for additional information.

Thank you for allowing Southern Financial Exchange to provide you with payments expertise.
